

MODERN DENTISTRY FOR YOUNG PEOPLE AT THE MEAD DENTAL PRACTICE

- Tooth decay is the most common preventable disease
- To prevent it requires a commitment of time and effort
- With the correct habits in place there is no reason why your child should not keep his or her teeth healthy for life
- **Our aim is to work with you to make this happen**

Option 1 THE JUNIOR CARE PLAN

In return for a regular monthly payment, our continuing care plan for children and teenagers up to 18 gives access to a wide range of benefits. You have the peace of mind knowing that your child is properly looked after with the emphasis firmly on preventing disease rather than waiting for it to happen and then treating it

How much does it cost?

£ 7.50 per month, paid either by monthly direct debit or one annual payment.

What's included?

- ✓ 2 oral health checks per year including any x-rays
- ✓ Oral hygiene and dietary advice whenever appropriate
- ✓ Simple fillings
- ✓ 1 custom-made sports mouthguard per year (excluding laboratory charge)
- ✓ Comprehensive worldwide accident and emergency cover
- ✓ Family discounts of up to 15%
- ✓ 10% discount off all other treatments

What's not included?

Root treatments, crowns, cosmetic treatments, laboratory fees (except where covered by accident insurance)

What if my child has an emergency

You just ring the practice number 01752 224880. Your child will be fully covered (subject to a £15 charge) for toothache etc. outside of normal practice hours and for full treatment following accidental injury. If you are away from home you can call the dental helpline for full assistance and recover the costs.
